SHOP & OFFICE FIT-OUTS
MADE EASY

WE ADHERE TO PRINCIPLES OF INTEGRITY, FAIRNESS, HONESTY AND ACCOUNTABILITY, AND THESE ARE REFLECTED DAILY IN OUR RELATIONSHIPS WITH CLIENTS, IN THE PROJECTS WE MANAGE, AND WITH THE STAFF AND SUBCONTRACTORS WE SELECT.

start fresh with tú

TÚ Projects is an established and dependable shop & office fit-out company, built on a solid family history that spans 36 years within the industry.

We pride ourselves on our innovative methods to minimise construction costs while continually keeping our clients well informed throughout the project. We are equally well known for our absolute reliability when meeting deadlines.

Specialising in high-end construction and project management across a variety of retail and commercial sectors, we offer a broad range of construction solutions providing a refreshing approach to customers with new and existing brands.

We have enjoyed securing, developing and managing a number of retail giants that include Gloria Jeans, Noodle Box, Grill'd, Eagle Boys, Nando's, Bras N Things and many more.

This is a testament to the standard of our work and the caliber of our relationships, which has firmly established our reputation for being Australia's number one choice in the delivery for superior quality construction.

HIGH-END CONSTRUCTION AND PROJECT MANAGEMENT

a refreshing solution

Our state-of-the-art administration system, 'tú Track', has been internally designed and developed to provide cutting-edge management processing.

The unique software application incorporates tender tracking, document management, budgetary regulations and project activity.

There is accountability from every team member on the job.

All project information and data is collected, collated, recorded and stored to a centralised hub enabling weekly reporting back to our clients.

a very refreshing experience

Behind tú Projects is the company's most valued asset ... our team.

With a combined industry knowledge that spans over 60 years, our team specialises in a diverse range of areas. From design and concept building, to fit-out and installation, we can assist and advise at any stage of the project.

The team is led by Director, Rob Rowe, who continues to play an integral part in each and every project, ensuring the 'refreshing' tú Projects attitude is alive.

With hands-on experience and an unwavering passion for the building industry, the team harness the surrounding knowledge and successfully deliver a need in the market place for a fresh 'one stop' commercial project management service.

OUR VAST NETWORK ENABLES US TO SOURCE THE BEST IN
QUALITY AND IN PRICE ACCORDING TO BUDGET AND LOCATION

a refreshing network

We have developed strategic partnerships with key trades and suppliers across Australia, New Zealand and the Asia Pacific region.

Our vast network enables us to source the best in quality and in price according to budget and location.

In addition to our national manufactures, we have also built close relationships within Asia, providing offshore, cost effective alternatives in the delivery of our superior fit-outs.

Our commitment to growth goes hand-in-hand with our responsibility to remain competitive while continually improving on quality.

PROVIDING REAL PEACE OF MIND WITH ASSIGNED PROFESSIONALS TO
MANAGE ALL KEY AREAS AND PERSONNEL SAVING TIME AND MONEY

a refreshing guarantee

tú's total project management service guarantees our clients real peace of mind with experienced professionals assigned to manage all key areas of the fit-out process.

Our National Construction Manager oversees the rollout of every project, accompanied with a Site Manager and Project Manager to ensure the quality and high standards of our craftsmanship is delivered.

A Contracts Administrator is also employed to look after all administrative duties dealing directly with relevant government and tenancy managers.
